Breece Lightnin'

Go Breece Lightnin'
Go Breece go

Go Breece Lightnin'

Jets football gets excitin'
Hand the rock off to Breece Lightnin'

Go Breece Lightnin'
Go Breece go

Go Breece Lightnin'
Go Breece go

He sets each of leg to "frightenin'"
Powder kegs go boom Breece Lightnin'

Go Breece Lightnin'
Go Breece go

Go Breece Lightnin'
Go Breece go

Can you feel the defense tightenin'
Crash through the line Breece Lightnin'

Go Breece Lightnin'
Go Breece go

Go Breece Lightnin'
Go Breece go

Go go go go go go go go go

Go Breece Lightnin'
Go Breece go

Go Breece Lightnin'

All Jet fans' spirits heightenin'
The minute we see Breece Hall Lightnin'

Go Breece Lightnin'

Go Breece Lightnin'
Go Breece go

A flash of green n white
Breece Hall is outta sight

Mr. Woody Johnson

Mr. Johnson Mr. Woody Johnson
Every Autumn same ol' concoction
We love our team but seem to lack
Something more than scores and sacks
Don't worry I've got your back
With spirit raising Jets fan tracks

Mr. Johnson Mr. Woody Johnson
Have we forgotten a powerful option
To overcome all of this loss
Music is the secret sauce
Let's remove the albatross
While sparking thunderous applause

May it be fated that you'll lead our Jets to victory
You'll be vindicated by the fans and songs by me

Mr. Woody Johnson
Takes the team at the zero
Gets some blocks
Breaks the line
Jukes a move
Up the sideline
Down the field
He's...gonna...go...all...the...way

Mr. Johnson Mr. Woody Johnson
The fan base is listenin'
And not only watchin'
So hum along to my plea
Guide us to ascendancy
Add rhythm and melody
For Jets superiority

May it be fated that you'll lead our Jets to victory
You'll be vindicated by the fans and songs by me

I have been a Jets fan all life long
I root in bars and stadiums
In living rooms and song

Jets Fanfare
Jets Fanfare

We bleed green and white
We're gonna take flight
Our Jets are gonna reach new heights

There's Fireman Ed
The cheer that he's led
J-E-T-S
Jets Jets Jets

Fanfare
Jets Fanfare
Jets Fanfare
Jets Fanfare

The triumphs and the setbacks
We've all been through
But we still keep rootin'
'Cuz that's what Jets fans do

Jets Fanfare
Jets Fanfare
Jets Fanfare
Jets Fanfare

Jet Fuel

J-E-T-S Jets Jets Jets

Jet Fuel
Gonna have our way
A championship season
Another glory day

Jet Fuel
Gonna have our fun
Stacking up the wins on a Super Bowl run

Jet Fuel
Fire up the team
We're not settin' down
Until we reach our dream

Jet Fuel
Let our engines scream
Afterburners glowin'
And we're goin' green

Since Broadway Joe back in '69
We've come so close so many times
Excitement's mounting as our altitude
climbs
As good as it gets
J-E-T-S Jets Jets Jets

Jets Jets Jets

Jet Fuel
No more talk
Playin' like a Jet
Means to walk the walk

Jet Fuel
We're gonna rock
The Vince Lombardi Trophy's
Right around the block
New York
